BRIEF REPORT ON THE PROGRAM:

As a part of awareness on GST, Department of Commerce has conducted a workshop. In that workshop, Career Guidance Cell members have taken initiative to arrange a technical session on job opportunities through GST.

GST offers a complete and competitive package of benefits. GST delivers the following employment qualities:

- 1] A work environment headed by experienced leaders and a diversified, professional team. This distinguishes GST from younger corporations in the rapidly growing technology solutions and consulting industry.
- 2] Exposure to a supportive work environment that nurtures close communication among your professional team members.
- 3] Career fulfillment as a result of achievement and input. Each employee makes a direct impact on the success of the company.

4] Reward for continuing the GST tradition of teamwork, innovation, and integrity.

5] National opportunities exist at GST for IT and AV professionals of all levels of experience and technology backgrounds.
